

Virtual Internship Opportunities

The current COVID-19 global pandemic has had multiple ripple effects for our students. One of them is that internships that were scheduled for spring or summer 2020 have likely been cancelled. You may be in need of an internship or possibly looking to use your time at home to develop your work skills and gain experience. We put together this list of resources to assist you in finding remote, virtual, or work from home internships. If you need help with your resume or preparing for interviews, please contact a career counselor for assistance: jschnipper@stchas.edu or jhawthorne@stchas.edu. **SCC Career Services** is here to help you during this unprecedented time. Please do not hesitate to reach out for help. We can assist you in updating your résumé, preparing for video or phone interviews, and with general job search skills.

SCC students and alumni can use our online job board: <https://www.collegecentral.com/stchas/>. Once logged in, click on “Intern Central” and use “virtual” or “remote” as the search criteria.
